Your mother, Aunt Sally, told me you are a college student now. Good for you! As for me, I go to Happy High School in Taiwan. I am often very busy with my schoolwork. In my school, I have to learn two languages, Chinese and English. I also have other classes, like computer, science, math, geography, history, art, PE and music. By the way, I go to cram school after school at 6:00 on Tuesdays and Fridays. Sounds busy, right?</p> <p>You may think I do not have time for fun, right? Yes, I do. I am an active and outgoing girl. At school, I join the basketball club and the dance club because I like sports and dancing. They are really fun for me.</p> <p>What about you? Let me know more about your school and life there. My family and I all miss you! Please come back to Taiwan to see us during your Christmas holiday. Hope to see you here in Taiwan soon.</p> <p style="text-align: right;">Best wishes, Emma Lin</p>  <p>Which is RIGHT?</p> <p>(A) Emma is in the USA and Ken is in Taiwan.
