

National Nanke International Experimental High School

Election Guidelines for the 113th Academic Year Student Council President and Vice President

I. Basis

These guidelines are established in accordance with the Constitution of the Student Association of National Nanke International Experimental High School.

II. Purpose

1. Cultivate students' spirit of democracy, rule of law, and self-governance.
2. Foster students' self-management abilities, build a consensus of love for the school, enhance unity and harmony, and promote a positive school spirit.
3. Encourage students to actively organize and participate in school-wide activities, enriching campus life.

III. Method of Election

1. The election shall be conducted by universal, equal, and direct voting.
2. Eligible voters: All current students in Senior High School Grades 10–12 and Bilingual Department Grades 10–12.
3. The candidate with the highest number of votes shall be elected President (simple plurality system).
4. For uncontested elections, the candidate must receive at least 20% of the total eligible votes. Failure to meet this threshold will render the election invalid, and a new election must be held.

IV. Term of Office

From the day following the official announcement of election results by the Office of Student Affairs until June 30 of the following year.

V. Candidate Qualifications

1. First-year students in the Senior High School and Grade 10 students in the Bilingual Department.
